From the Desk of Brother Jeffrey R. Miller

District Deputy Grand Master, Third Masonic District

Fraternal Greetings Brethren!

With December comes the Worshipful Master's installations. This is an exciting time for the incoming Worshipful Masters. They have heard that the installation ceremony is very "interesting". They have no idea what lays ahead for them but cannot wait till that time comes to be installed as the Master of their Lodge. They have done their planning are now ready to step to the East and lead. They have earned the respect of the Lodge by demonstrating that they are willing to do the work that is required of them as the Past Masters have before them! I congratulate each of the incoming Worshipful Masters. May your year in the East be a rewarding time in your Masonic career as my year was.

I congratulate each elected officer taking a place in the Lodge on Saint John's Day next. Now is the time to complete your ritual work and plan for your year in the East. The East is earned in your Lodge by your willingness to do the "work". If you do not have a mentor at this point please pick a Brother to guide you as you travel toward the East. Remember that the Past Masters in your Lodge are a wealth of knowledge. They have already made the mistakes that you will need to know about before you become Worshipful Master. I'm sure that if you ask a question or if you need a hand figuring something out, they will help you in any way they can. Enjoy your time as an elected officer of your Lodge. The East is just over the horizon and coming quickly.

I wish each Brother a happy holiday season. Be safe as you travel to your different Lodge and personal activities. I will see you in the new year.

Have a great day in Freemasonry!!

Brother Jeffrey R. Miller
District Deputy Grand Master

From the Desk of Brother Kenneth W. Womack, P.M.

Principal, Third Masonic District School of Instruction

I hope everyone had a safe and enjoyable Thanksgiving and plenty of time to spend with family and friends. It is a great time of year, not only because it begins what is traditionally our “holiday season,” but for us as Freemasons, we do our annual rituals (elections and installations) and prepare ourselves for the excitement of the upcoming Masonic year.

At the SOI on November 25th, we focused on the open installation now required in all Lodges. Hopefully, you were able to get all questions answered and are ready for the installation. Since this is one of the few times non-Masons get to see Masonic ritual, it is important that you make a special effort to have the ritual well-hearsed. Pay attention to the details. Is all the regalia in the right place? Do you know when and where Masonic clothing is removed? Do you know how to properly present regalia and other documents and tools? Do you know the correct way to turn when escorting a new officer to his station? These are details you need to rehearse to be fully ready for a well-done installation. If you would like to have a principal attend your Lodge rehearsal for election and/or installation of officers, please let one of us know as soon as possible and we will make every effort to have someone attend.

At the December 16th SOI (third Monday and not the fourth Monday), we will do the Business of the Lodge. The intent of this session is for new WMs and officers for the upcoming Masonic year to review BOL and to make sure you are ready for that first Lodge meeting in January. For those new WMs and incoming officers, particularly the WM, SW, JW, Secretary, SD and Pursuivant, please make a special effort to attend this meeting. Incoming officers should review this ritual before SOI to make sure you don't have any questions that we could answer in this session. We will pay particular attention to receiving and voting on petitions and the reception of the DDGM. Again, our hope is that this session will get all new officers off to a great start for next year. For current and repeating WMs, if you can attend, you can share your experience and some of the things that helped you be successful in the East.

For those of you who would like to get your calendar for next year updated early, the Region 2 Sectional School is on Saturday, Mar 22, 2025, at the York Masonic Center. District 3 will exemplify BOL. Currently I have no information on the Spring visit to District Three by our Regional Instructor for Region Two, Brother Paul A. Sutcliffe, Jr. Hopefully we will have this information by SOI on Monday, December 16th.

Lastly Brethren, I wish you and your families a wonderful Holiday Season and a Happy New Year.

A Series In Masonic Education

The History of The Masonic Lite Podcast

After attending a meeting of the Pennsylvania Academy of Masonic Knowledge in 2015, two Lancaster Co. Masons, Pete Ruggeri and Larry Merris conceived the surreal notion of creating a podcast and dedicating to their fellow masons, to talk about their experiences in Freemasonry. Sure, there were other masonic podcasts, but they were very cerebral not at all what these two had in mind. Their idea was to create an unstuffy, conversational, and humorous approach to the craft. Their hope was to get 10-15 people to listen to their ridiculous ramblings.

In the 8th year of the reign of Obama, on the 6th day of the Julian calendar April, the Masonic Lite Podcast was born! In a recording studio in Lancaster, where a producer named Mason (who was not a mason!) handled the tech stuff, what would become the 2nd most listened to masonic podcast began! It was funded out of the pockets of Pete and Larry!

The early episodes were mostly a 'what's been happening in Freemasonry in general, and Lancaster Co. in particular.' On episode 8, Jack Harley, a PM from Ephrata Lodge No. 665 was a guest, and by episode 20, Jack had become a regular co-host. Topics began to broaden to include a discussion of the effectiveness of '1-day Classes,' the newly established Almoners Fund by the Grand Lodge, and the podcast's first international guest, when a brother from Australia, who had his own podcast, was a guest. If the 1-Day class and Almoners Fund discussion wasn't enough to grab the attention of the Grand Lodge, when the discussion of the title of a West Wing TV series episode, which happened to be a masonic 'word' aired, the suspicion was full blown and led to the now infamous "Lost Episode!"

There's a saying that there is no such thing as 'bad press' and the same can be said for MLP. The frank discussion and breadth of topics only led to more listenership. This growth of listenership only grew further when guests such as the Supreme Grand Commander of the Scottish Rite, NMJ, and other masonic dignitaries from around the country began to appear as guests.

By 2017, the recording sessions had moved to Pete's basement (aka Monarch Studios), where Pete's dobermans were constantly plotting on how best to eat Jack alive! By 2018, several listeners had pitched in to build a studio in the basement of Ephrata Lodge No. 665 where the permanent home of MLP lives today, deep beneath the Wine and Spirits store! Near the end of 2018, a truly momentous interview occurred when then Grand Master S. Eugene Herritt came on the show as a guest! The guys all put their dues cards on the table at the beginning of the show figuring that if they were still there by the end of the show, then they did ok!

2019 began with the introduction of a new co-host and a new producer! Needing a producer replacement, Josh “Lamberton” was brought in beginning on episode 67. On the same episode, Tim Dedman, PM of Eureka-West Shore Lodge No. 302 in Mechanicsburg became the first non-Lancaster Co co-host. The show continued to grow in listenership. When frequently asked, Larry reports that the show is listened to by 2 million listeners in 14 countries, and on 3 planets! On a serious note, at one point, the show was actually the #1 comedy podcast in Bulgaria!

2020 was the COVID year, and also led to the development and broadcast of MLP’s Digital Order of the Knights Quarantine, a special production developed to raise money for the National Meals on Wheels (we had hoped for a masonic charity, but that’s a much longer story!). We hoped to get 30-40 people to send us \$30 for the charity and to tune into a Zoom call to view. The production and subsequent jewels helped us to raise over \$10,000!

With lodges closed for most of the year due to the pandemic, MLP became the go-to place for masonic education! We’ve had 100s of brethren report that they depended in MLP for their masonic education during COVID. In addition to continue to produce about 2 shows monthly, the team members are regularly asked to present lodge programs on the podcast, where even more masons learn about the podcast.

In all, we’ve had 3 sitting Grand Masters (and 1 past Grand Master), 1 Sovereign Grand Master, 1 Grand High Priest, several other deputies and officers, and dozens of dues paying masons who’ve lived interesting lives as guests! The show that’s best described as 5 friends sitting around a table discussing Freemasonry continues to grow. In early 2023, our founder, friend, and brother Pete Ruggeri passed away, but the show continues his vision of having a show that presents the ‘lighter side’ of Freemasonry. Sometime in mid-2024, we will record our 200th episode, all of which can be listened to on your favorite podcast app, or by going to <https://masoniclite.podcastpage.io>

Ladies Night: TBD

Brethren,

It is already December and Saint John's Day (December 27th) is rapidly approaching. I would like to take this opportunity to thank you for the help and support during my time in the East. It is not just the Past Masters that assist and shape a Worshipful Master. It is the experiences born from interfacing and working with one's fellow officers and the lodge members that really shape how the year pans out. I have had a great year in the East and thank all lodge members the assistance, participation, camaraderie, and support!

As one chapter ends so opens another. Brother Brandon T. Benner will be taking the reins of our lodge beginning on Saint John's Day and will be installed in an Open Installation on December 17th. Please provide him the welcoming and support you have given me.

As per usual, I implore each of you to call a brother, or two, who has not been attending meetings, and ask them why? If you have not been coming to our meetings, please let us know why so we can make reasonable adjustments to facilitate your attendance.

I pray that the Great Architect continues to provide you with good gifts and graces.

God Bless – Benjamin D. Bualat, WM

Masonic Golf Clubs

Brothers,

One of the great benefits of Free Masonry is the fellowship amongst brothers. To this end, we the three Masonic golf clubs in the Harrisburg area hope you would consider playing golf in one or all the clubs. The clubs are: Consistory Golf Club, Zembo Shrine Golf Club and the Tall Cedars Golf Club. If you are available and like to golf, please think about playing with us. You need not be a member of these appendant Masonic bodies to participate, just be a Mason in good standing. We use Callaway Handicap system and regardless of your skill level the computer program assigns a handicap for each round every time you play. There is always a chance to win, place and show. Consistory Golf club plays at Rich Valley Golf Course the second Thursday for each month April until October, Zembo Golf Club plays at Dauphin Highlands on the third Wednesday of the month from April until September, and Tall Cedars Golf club plays the last Thursday of the month again from April until October with different course each month. You are not required to play every month and can play as many times as convenient. Your lodge Secretary will have detailed information for each club if you are interested.

President Russ "Scooter" Miller - Meets First Sunday of the month at 10:00 AM

Website: <https://pawsmra.org>

Greetings from the Widows Sons,

Even though the summer has ended, and riding season is winding down, the Widows Sons is not dormant. With many charity rides planned by many of the state chapters and our annual fall gathering held in October, we are still very busy spreading Freemasonry through the motorcycling community.

The upcoming year is already shaping up to be a busy one for the Widows Sons. The 2025 Grand Master Ride is well into the planning stage and will be held August 1 - 3, 2025, in the Reading, Pa. area.

If you ride a street legal motorcycle, have an MC endorsement on your license, and are a Master Mason, you can be a part of the Widows Sons. Please visit our state website at <https://pawsmra.org/>
